

# How to participate in Q&A in an Adobe Connect meeting

**1** After joining the meeting, connect your audio device by clicking the microphone icon and selecting "Connect Audio Device" from the menu.

**2** Mute your microphone by clicking the microphone icon.

**3** With your microphone muted, click on the "Raise Hand" icon located in the upper part of your screen.

**4** Select "Raise Hand" from the drop down menu.

You will notice this icon  is now displayed next to your name. Wait for the host or moderator to acknowledge you, and then proceed to unmute your microphone and ask your question.
